Subject - Re The construction of a Town Hall at Sringeri.

I have the honour to state that while submitting proposals for utilisation of the special grant of ~~Rs~~ Rupees two lakhs graciously announced by His Highness the Maharaja for improvement works in the Malnad, Sringeri Taluk was left out in the statement submitted to Government, apparently by inadvertance Sringeri is important Malnad Taluk and the Sringeri Town is a pilgrim centre, attracting a large number of devotees during Dasara and other occasions The necessity for a town Hall at the place has been very keenly felt by the public of the town The Municipal Council is not in a position to take up this work, due to its slender resources The Sri Sringeri Mutt authorities also plead their inability to make any contribution towards this work, as the finances of the Mutt have not been satisfactory just now

2 An estimate for this work for 10,000 has been prepared and is under scrutiny in the Public Works Department The Municipal Council Sringeri have prayed in a resolution, at their special meeting held on 27th December 1941, that Government be requested for the grant of Rs 10,000 for the purpose The prayer of the Municipality Council deserves sympathetic consideration I therefore, request that sanction of Government may be kindly obtained for giving an out-right grant of Rs 10,000 from the reserve if any, that may be available out of the Special grant of Rupees two lakhs for the construction of a

Town Hall at Srinagar
